### **Thank you.**

Two words that can't express the enormity of our gratitude.

But to every Victorian working in our hospitals, healthcare and ambulance services – thank you.

For the hard work, the long hours and the time spent away from the people you love – thank you.

For your courage and commitment in saving lives – **thank you.**

Because even though staying apart is keeping us together, please know, we value you – and all you do in keeping our state safe and strong.

You have our support, our appreciation – and our heartfelt thanks.
