## COVID-19 update – 11 May 2021

This email is being sent to all employees

**\*\*\* ALERT \*\*\***

### Victorian Exposure Sites

Victorian health authorities have identified several potential COVID-19 exposure sites after a man who completed his hotel quarantine in South Australia returned to Victoria and tested positive.

You can view the list of Victoria exposure sites here:

<https://www.coronavirus.vic.gov.au/exposure-sites>

Please review this exposure site list regularly.

**If you have visited a Tier 1 exposure site:**

1. Get tested immediately and on day 13 from the date of the exposure.
2. Isolate for 14 days. Do not attend work.
3. Call the COVID-19 Employee Hotline on 959 45815 (7am to 7pm – 7 days a week).
4. Contact your manager.
5. Contact the Victorian Department of Health on 1300 651 150.

If you test negative on day 13, you can return to work after day 14 if you have no symptoms.

**If you have visited a Tier 2 Exposure site:**

1. Get tested immediately.
2. Isolate until you receive a negative result. Do not attend work.
3. Call the COVID-19 Employee Hotline on 959 45815 (7am to 7pm – 7 days a week).
4. Contact your manager.
5. Monitor for symptoms in the following two weeks post-exposure and repeat testing (and isolate until the result is known) if symptoms develop.

You can return to work when you receive a negative result if you have no symptoms.

**Advice for screening teams**

[Updated advice for screening teams is available here.](#)

**All managers are requested to share these updates with their teams and discuss at stand-ups and handovers. Please print a copy and display it in communication books and on employee noticeboards.**

As advice and information evolve, please consult the latest updates and visit the [Department of Health and Human Services](#) and [Monash Health COVID-19 website](#) for employees regularly for the latest.
