

Annual General Meeting and Open Board

2pm, Thursday 2 December 2021

The Chair of the Monash Health Board, Mr Dipak Sanghvi, invites you to attend the 2021 Monash Health Annual General Meeting and Open Board Meeting.

At a time when information and misinformation is so readily available, the pandemic has required community and healthcare leaders to be more available and be a reliable and trusted source of information.

At this year's Open Board meeting we will be joined in conversation by a number of influential people to hear about their experience over the past 18 months and discuss their observations, approach and learnings.

- Victoria's Chief Health Officer, **Professor Brett Sutton**
- ABC Melbourne's Drive presenter, **Rafael Epstein**
- Channel 7's State Political Reporter, **Sharnelle Vella**
- Monash Health's Senior Advisor Community Engagement, **Silva Navaretian**

We hope you will join an interesting and stimulating discussion. We will also report back on what we have done since last year's Open Board meeting discussion on patient experience, and report back on our year of operations in the AGM.

We will again be meeting online.

Please register your attendance by midday, [Wednesday 1 December](#).
