

# PAYG Employee Carparking

Katrina Nankervis, Executive Director, Residential Care & Support Services  
September 2022

# You asked and we listened

- Based on employee feedback, we are introducing a fair Pay as You Go (PAYG) car parking system for all users of Monash Health employee carparks
- You will only pay for the time you use a Monash Health carpark
- Visibility of car parking capacity in real-time via the app/online portal
- Addresses the limitations and modernises the management of Monash Health car parking, and
- Will automate our parking operations and remove the need for reimbursements for non-usage.

# How will PAYG carparking work?

- Continue to use your employee access card to tap in and out of employee carparks
- You will be charged for the time you use, in line with the business rules
- Payment will continue to be in line with your pay cycle and will be taken out of your pre-tax salary
- You also have the option to pay via a credit card
- An upgrade to carpark boomgates will form part of this project

# Key business rules

- \$3 for the first 4 hours
- After the first 4 hours, charged at 35c per half-hour block
- If you exit the carpark within 15 minutes of entering, there will be no charge

# What do you think?

- A Change Impact Statement is now available and has been distributed to the unions
- You can read the Change Impact Statement on the COVID-19 employee website
- We invite you to provide feedback to our project team via email to:
  - [paygparking@monashhealth.org](mailto:paygparking@monashhealth.org)
- We will continue to update the FAQs on the COVID-19 employee website as we receive your questions
- Initial feedback is requested by 26 September.
